National Liaison Officers /

National Coordinators

2024-08-19

Subject: Interregional Training Course on the Use of the IAEA Mobile Tool Kit for Handling Category 3 to 5 Disused Sealed Radioactive Sources, Kuala Lumpur, Malaysia, from 11 to 15 November 2024

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project INT9187, "Sustaining Cradle-to-Grave Control of Radioactive Sources Phase III".

The purpose of the event is to train the participants on the IAEA Mobile Tool Kit Facility for characterization and conditioning of Category 3-5 disused sealed radioactive sources (DSRS) and preparation of waste packages for disposal in a borehole facility, considering safety, security, and other aspects related to the conditioning of DSRS.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

The IAEA will provide non-local participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant's residence and Kuala Lumpur or a travel allowance to purchase an air ticket. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country's nominations by **11 September 2024** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address [Official.Mail@iaea.org](mailto:Official.Mail@iaea.org), with copy to Mr Neil Victor Jarvis [N.V.Jarvis@iaea.org](mailto:N.V.Jarvis@iaea.org). Please be advised that late nominations or replacements of participants after the

closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

A handwritten signature in black ink, enclosed within a dashed rectangular border. The signature is stylized and appears to read 'Neil Victor Jarvis'.
