National Liaison Officers /

National Coordinators

2025-03-06

Subject: Regional Workshop on Best Practices for Legacy Waste Management, including Retrievability and Remediation of Sites, Vilnius, Lithuania, from 5 to 9 May 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9164, “Building Capacity for Radioactive Waste Management”.

The purpose of the event is to discuss and share experience, challenges and good international practice related to the safe, efficient and cost-effective planning, and preparing for retrieval, characterisation, segregation and further processing for storage or disposal of different legacy waste streams, as well as implementing remedial actions to bring the site to a safe condition from the radiological point of view.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country’s nominations by **20 March 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Maria del Pilar Murillo Fuentes
Programme Management Officer
Division for Europe
Department of Technical Cooperation
