Subject: Interregional Workshop on Advances in SMR Technology Developments and their Applications, Shanghai, China, from 1 to 5 September 2025

Dear National Liaison Officer,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project INT2023, “Supporting Member States' Capacity Building on Small Modular Reactors and Micro-reactors and their Technology and Applications as a Contribution of Nuclear Power to the Mitigation of Climate Change”.

The purpose of the event is to discuss and share experience on technology development for the SMRs and their applications, showcasing design philosophy and key technical features, roadmaps to deployment, safety and licensing aspects, system and component design maturity level.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **4 June 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Jing Zhang
Programme Management Officer
Division for Europe
Department of Technical Cooperation
